The lamp has been used for deodorization only
so it can't be quarantined that it is in full
working or derm.

There is one little deodorant on the font -
pitted out for accuracy.

No chips, no lament.

In good overall condition for age except...

The spine has faded a bit.

The body is dragging itself like a tail of a bride's dress

The teeth have yellowed and have some foxing, as you'd expect.

I'm belonged to my Grandmother and I'm selling myself on her behalf
